Budgetary allocation for education

1997. SHRIMATI SHOBHANA BHARTIA: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether States specially twenty-nine major States together have allocated just about 7.2 per cent of their aggregate budgetary expenses on education in 2005-06;

(b) whether allocation for education as a percentage of GDP has been steadily declining since the promulgation of the New Economic Policy; and

(c) if so, the main reasons for decline in the budgetary allocation on education by the Centre as well as States?
